Say hello to a good buy.

Situated in a beautiful panhandle complex endowed with nature and mountain views, this large and gracious apartment is truly special.

As you drive through the main automated gate, you are presented with a long driveway in a lush park-like setting. Park your vehicle in your very own massive garage - yes please. From there, enjoy the well kept gardens as you head to the entrance of the building consisting of four floors. Check your mailbox before heading up to the apartment on the 1st floor. The building is quirky and full of old world charm - enjoy it.
