INTRODUCING SAMANGO ECO-ESTATE IN THE BEAUTIFUL LOWVELD

Samango Eco-Estate is a magnificent wildlife estate located in the beautiful Schoemanskloof valley in the Lowveld. This newly-developed residential wildlife estate is the result of many years of meticulous planning by a group of passionate individuals who wished to make this scenic region accessible to like-minded nature enthusiasts while preserving it's indigenous fauna and flora for generations to come.

Squarely rooted in sustainable environmental principles and backed by the Mpumalanga Provincial Administration and all relevant authorities., Samango Eco-Estate serves as a benchmark among Lowveld residential property developments and seeks to make off-the-grid living a reality for discerning South African and international property owners. This very unique eco estate approximately 700 ha is developed in such a way that...
